### Winemaker Notes:

**The 2012 Vintage:** *2012 wines are going to be fantastic: growing season started out warm and stayed that way, ensuring even ripening for a very fine harvest and we actually picked a little ahead of schedule! Unlike the problematic 2011 harvest, this will be one we remember for abundant fruit and great displays of varietal character.*

**The Wine:** *Crisp, clean finish with nice aromas. Good sugar/acid balance delivers tasty, classic Washington State Riesling abundant with multiple stone-fruit flavors.*

**Food Matches:** *Asian cuisine, soft white cheeses, lightly-sauced fowl and as a delicious aperitif anytime.*

#### **Descriptors:**

Sweet fruity nose, enticing flavors of peach and apricot.

A beautiful display of what Riesling can do in Washington State.
