## RIESLING

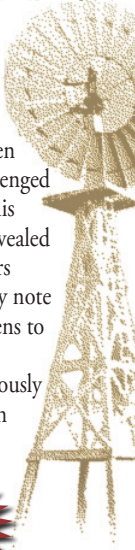

*Rattlesnake Hills*  
WASHINGTON STATE

This remarkable grape, the Queen of White Varietal, has long challenged us in Washington State. With this vintage we hope that we have revealed several of the multitude of flavors inherent in Riesling. Crisp, lively note with green apples and spices opens to luscious peach and rich mango flavors on the palate. While obviously sweet, the fruit shines through in this beautifully balanced wine.

*Estate Grown & Estate Bottled*
