

ROZA RIDGE

MARKET RED

RATTLESNAKE HILLS
WASHINGTON STATE

A friendly titling that we hope indicates that this is a fine everyday blend specific to our brand. This may well turn out to be the flagship of the Roza Ridge line since we make every effort to deliver a relatively mature-tasting Cabernet-based red varietal blend for your pleasure. Pasta? Of course, but also game, smoked meats and other culinary delights all welcome this special wine.
